

ASHMONT SCHOOL

Together we enter, together we leave, helping each other grow
and succeed.

Tuesday, May 26th, 2020:

To Parents & Guardians of Whitefish Lake Students Attending Ashmont School:

I am writing this letter to confirm that the last day of school will be June 24, 2020, and students will continue to have access to their teachers until this time. We ask students in grades 10 - 12 to try to complete most of their course work by June 17, in order for our teachers to assess it. Students can access live lessons online, as well as recorded lessons and assignments which are online on Google Classroom. We can also email work and assignments to students as well. For those students that do not have internet access or access to a device, paper copies of work can be provided. Paper copies of work can be picked up at the school or can be delivered by our Whitefish Lake Student Advocate, Ms. Louise Hunter. Students can also access their teachers during regular school hours for any support that they need by phone or by email.

Students in grades K - 9 will continue to have access to online learning, as well as paper copies of work until the last day of school, June 24th. If you have any questions or concerns, please do not hesitate to contact me at 780-726-3777 or at gambkeit@sperd.ca.

Sincerely,

Keith Gamblin,
Principal, Ashmont School
